CATEGORY 3

Design a pair of gloves for use in an industrial environment

Each entry should be on ONE A3 board, with no attachments, and the following information should all be included on the FRONT of the board:

- The overall design of the glove
- Technical drawings to show how the glove would be manufactured
- Swatches of suitable materials
- Evidence of appropriate research
- Suitability for the design for the industry selected

ENTRIES THAT DO NOT COMPLY WITH THE RULES WILL NOT BE JUDGED

- Entry constitutes permission to use the winner's name in any directly associated publicity materials
- The BGA may retain winning entries for a period of up to 12 months for display and publicity purposes, after which they may be requested to be returned to the college.

**This notice must be copied and fixed FIRMLY to the
reverse side of ALL designs submitted**

Students are advised to copy their designs before submission to the competition
